

The subscription fee & monthly fees

There are two fees that you should to pay in order to subscribe. First subscription fee which is only (50\$), and the monthly fees which are as follows:

1. Bronze (256Kbit), the monthly fee is (40\$), it can be used only for one computer.
2. Silver (512Kbit), the monthly fee is (70\$), it can be used for two or three computers.
3. Gold (1Mbit), the monthly fee is (120\$), it can be used for eight computers.
4. Platinum (2Mbit), the monthly fee is (240\$), it can be used for more than ten computers.

The above fees are available only for domestic use; it means the fee is different for public places and internet cafes, for instance the fees for internet cafes are twice as domestic's fees such as (256kbit) fee for internet cafe is (80\$), and so on for all the other speeds.

The only different for public places is in (1Mbit) speed it fee is (180\$).
